

School Accountability Report Card Reported Using Data from the 2021–22 School Year

California Department of Education

For Casa Pacifica Non-Public School

Address: 1722 South Lewis Road Camarillo, Ca

Phone: 805-366-4072

Principal: Dr. Mark Capritto

Grade Span: k-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Throughout this document the letters DPL refer to data provided by the LEA, and the letters DPC refer to data provided by the CDE.

Table 3: School Description and Mission Statement (School Year 2022–23)

School Mission Statement

To provide all students a standards-based academic program within in a safe, relationship based, and therapeutic environment; to teach academic skills and to promote emotional growth, behavioral growth and physical wellbeing that enables successfully transition to a less restrictive setting.

Vision Statement

To promote student academic success and social and emotional growth through evidence-based educational/clinical practice and applications.

School Description

Casa Pacifica is a non-public school (NPS) located in Camarillo, California, and is situated on a rural 23-acre campus five miles from the Pacific Ocean. Casa Pacifica serves abused, neglected, and emotionally disturbed children and adolescents throughout the area and extending to Santa Barbara and northern Los Angeles Counties. The current student population includes students from various counties throughout the state.

As an organization, Casa Pacifica provides a Nonpublic School, a 28-bed residential treatment program for children and youth ages 11 to 18, a Health Services Clinic, seven classrooms, a multi-purpose gymnasium, pool, academic and vocational assessments, family support, medical services, psychiatric/psychological treatment, and a variety of community-based interventions for children and their families. Casa Pacifica NPS is a part of the Ventura County Special Education Local Plan (SELPA).

Casa Pacifica Nonpublic School will provide all students with an education that meets Common Core State Standards.

Our academic curriculum program is Thematic Interdisciplinary Project-based with a focus on social/emotional growth. Casa Pacifica NPS provides every student with a safe, relationship-based, therapeutic environment to prepare our students with confidence, positive character traits, and problem-solving strategies that enable them to transition to a less restrictive academic setting.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Table 15: CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22

Mathematics (grades 3-8 and 11)	CAASPP Data is sent to districts	CAASPP Data is sent to districts	N/A	[DPC]	N/A	[DPC]

Note: Where it was the most viable option, in 2020–21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs

were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020–21 data cells for the school, district, state have N/A values because these data are not comparable to 2021–22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Table 20: Career Technical Education Programs (School Year 2021–22)**Programs Offered by the School****Program Sequences Offered by District or County Office of Education**

Career Technical Center – Formally Regional Occupation Program. Students are introduced to this program during the spring and taken to visit and tour the Center as a means of introduction. In the fall, students interested in specific programs can enroll. The staff at Casa Pacifica encourages students who have expressed an interest in vocational education and a vocation and/or occupation to enroll in CTE courses. Paid and unpaid internships are made available to students in these programs and at the end of their CTE program students are taken to local community colleges to enroll in similar courses. Students are evaluated throughout their program and specific outcomes are measured through practical evaluation, written evaluation, and a final summary of an Individual Training Plan. Students who pass the course the course receive a Certificate of Completion.

Vocational Maintenance Course – This course is open to all students at Casa Pacifica, however, our focus is with our junior and senior students who have expressed a desire to enter the world of work upon graduation from high school. Students who show interest in working with maintenance and grounds meet with cite administration. A meeting is held with the Director of Maintenance and Operations who shares the requirements to enroll that include submitting a Letter of Introduction, Resume, and Application for the position. Once the documents have been received, the student goes through an interview and the interview team decides on student enrollment. Progress is monitored through work order completion and the degree to which the task has been complete and in an appropriate manner.

Workability – Sponsored by the California Department of Education, this program is designed to assist students with disabilities to enter the world of work. Casa Pacifica students are given an opportunity to train for jobs and gain experiences in the private sector. Funding is available for students to earn income through part-time employment for specified amount of time. Throughout the program, students receive individual training on job exploration, finding a job, creating a resume, completing a job application, and mock interview. In support of the student, Casa Pacifica provides students with an interest inventory, interviews students who best fit the criteria for entering the Workability program and provides support and guidance for students wishing to enter the world of work on a part-time basis while completing their high school education.

Casa Pacifica uses a Thematic Interdisciplinary Project-based curriculum and requires integration and use of technology that includes PowerPoint presentations, Google Docs, construction of projects using a variety of medium including wood, cardboard, paper, and other materials. Student are given a contract/rubric that enables them to proceed at their own pace and create a specific project based on the guidelines provided. The contract is a viable scholastic tool used by students as a plan. At the end of the focus area and/or theme, the student is responsible for providing a written and/or oral presentation that answers “essential questions” and the learning goals identified at the beginning of the theme.

The NPS will be opening two new vocational courses in the fall:

- Digital Arts

- Culinary Arts

Primary Representatives of the District CTE Advisory Committee

Casa Pacifica Non-Public School serves all districts in Ventura County, Santa Barbara County, and the Santa Clarita Valley. CTE courses offered within each district, county, ROP or CTC, are developed by local advisory committees/primary representatives represented by each district and made available to all Casa Pacifica students in their district of residence.

CTE courses often operate at a pace that moves quick, requiring Casa Pacifica students to have additional adult support, assuming a space is available. Students from Casa Pacifica express they are less comfortable in courses where others seem to grasp information, technology, and processes quickly. Our students often withdraw from courses outside of our facility.

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Table 24: Opportunities for Parental Involvement (School Year 2022–23)

Parent participation and engagement is a key criterion to assist in improving student academic achievement, reducing student absences, reducing student behavior concerns, and connecting students to the learning process.

To help engage our parents, Casa Pacifica employs a and School Liaison to serve as a family representative and liaison to the school. During Non-COVID times, Casa Pacifica holds Family Nights for all parents and students on Back-to-School Night, Thanksgiving celebration evening, Christmas celebration, and one evening during the second semester.

Our clinical team has taken the lead to promote parent engagement (WASC goal) through onsite and zoom visitations, and to promote awareness of programs through a series of online and formal trainings (to be offered on site when we open). Training and support services include but are not limited to family dinners and activities, school functions, program awareness, therapeutic activities, and support services to assist in working with their youth.

Additionally, this is a great opportunity for parents to meet with school leadership and ask questions or share concerns. Parents are also invited to Treatment Team Meetings held for students where progress and/or needs for their youth are discussed, and plans created to assist in academic and behavioral success. Also, parents are expected to attend all IEP meetings and serve as active participants. Student Study Team (SST)

meetings or CFT (child, family, team) meetings may be called by any member of the team, including parents, when there is evidence to support an ongoing concern is preventing the student from accessing his/her education. Instructors and school leadership have taken an active role in recruiting parents to assist as volunteers in classrooms, art, field trips, physical education, and our quarterly exhibitions.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

**Table 26: Graduation Rate by Student Group (Four-Year Cohort Rate)
(School Year 2021–22)**

Casa Pacifica Non-Public school does not gather Graduation Rate by Student Group data. This information is collected by the home district/school for each student. At a time when students fulfill graduation requirements and become eligible for graduation, they are referred to their original district/schools.

Table 27: Chronic Absenteeism by Student Group

Students are considered chronically absent if they are absent at least 10 percent of the instructional days that they were enrolled to attend in a school.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Table 28: Suspensions and Expulsions for School Year 2019–20 Only
(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–20	District 2019–20	State 2019–20
Suspensions	19	[DPC]	[DPC]
Expulsions	0	[DPC]	[DPC]

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

Suspensions	0	4	[DPC]	[DPC]	[DPC]	[DPC]
Expulsions	0	0	[DPC]	[DPC]	[DPC]	[DPC]

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Table 31: School Safety Plan (School Year 2022–23)

A disaster plan is in place in the event of a major catastrophe such as an earthquake, fire, or other large-scale disaster.

Each classroom is equipped with an emergency service backpack that includes emergency supplies. This backpack is checked for inventory and restored annually or following any event where supplies may have been used.

There is a triage available for those who may be injured and connect with local emergency medical services in the area.

Fire drills are held monthly, and disaster drills are held one time each semester. There is a campus-wide safety committee within the agency that meets monthly and is responsible for reviewing and updating the disaster and other emergency plans. Casa Pacifica NPS follows the Standard Emergency Management System (SEMS) that is implemented by all California public agencies.

Table 41: Types of Services Funded (Fiscal Year 2021–22)

Specialized Academic Instruction – Casa Pacifica Non-Public School adopted the Road to Success Academy (RTSA) curriculum developed by Los Angeles County Office of Education. The curriculum is Thematic Interdisciplinary Project-based and serves as the specialized academic instruction for Special Education students in grades K-12. The curriculum is specifically designed to assist students with social emotional growth. Casa Pacifica NPS contracts with local school districts to provide this service to students who, due to social emotional issues, are less able to access their education and in need of a more restrictive academic environment.

Therapeutic Services - Student/clients receive Therapeutic support services that include individual and group therapy, and speech and occupational therapeutic services are contracted with an outside agency.

Group Counseling – All students are involved in group counseling. The type of counseling for each class is based on age, grade, and readiness. Services include but are not limited to DBT, CBT, mindfulness, social skills, morality, art, and introduction to group counseling.

Transportation Service - Transportation is provided for students of referring districts. Master Agreements are created between referring districts and SELPAs that clarify specific requirements and collaborative agreements. Individual Service Agreements (ISA) are developed when students are accepted to Casa Pacifica and cite specific services and requirements.
